COLLECTION AND ASSIGNMENT LAWS, &c.

ASSIGNMENTS.—An assignment for the benefit of creditors can be made to the official assignee for the judicial district, or to some other person resident in the province, with the consent in writing or telegram, prior to the assignment, of the majority of the creditors having claims of \$100 and upwards computed in accordance with the Act, and the assignment must be for the payment of all creditors rateably, except that three months' wages of all persons in the employ of the insolvent at the time of assignment or within one month prior thereto, have a preference. Such an assignment takes precedence to all executions and attachments. All transfers made by an insolvent person or one on the eve of insolvency with intent to prejudice or prefer creditors, are void, and transfers made within sixty days of action are void if they have the effect of preferring one or more creditors to another or others.

ATTACHMENTS.—In any action where a debt of \$50.00 or upwards is claimed the personal property and effects of the debtor liable to seizure under execution can be attached upon an affidavit of the creditor or his agent who has a knowledge of the facts that: (a) The debtor is about to abscond or has absconded out of the Province, having such personal property within the Province; or (b) has attempted to remove such personal property out of the Province, or to sell or dispose of the same with intent to defraud his creditors generally or the Plaintiff in particular; or (c) keeps concealed to avoid service of process, and (d) in either case that the deponent verily believes that without the benefit of the attachment the Plaintiff will lose his debt or sustain damage. This affidavit must be accompanied by the affidavit of one other credible person that he is acquainted with debtor and believes (giving reasons of belief) either (a), (b) or (c) as the case may be.

BILLS OF EXCHANGE AND PROMISSORY NOTES.—These do not require to be stamped. Three days of grace are allowed on all negotiable instruments except those payable on demand. When a negotiable instrument is made payable at a particular place it must be there presented when due. To hold an endorser notice of dishonor must be given. Protest is necessary on all foreign and is optional on all inland bills of exchange or notes. The protest is *prima facie* evidence of presentation and notice. The holder in good faith for value without notice of defect in the title of the payee, is not affected by any equities between the acceptor of a bill or the maker of a note and the payee. When the day on which the instrument falls due is a legal holiday, it is payable on the next business day.

BILLS OF SALE.—Each sale, assignment and transfer of goods and chattels not accompanied by immediate delivery and followed by an actual and continued possession of the goods and chattels sold, must be in writing, and such writing must be accompanied by an affidavit of witness thereto of the due execution thereof and by an affidavit of the bargainee or one of several bargainees, or of an agent of the bargainee or bargainees, duly authorized in writing, to take the conveyance, that the sale is bona fide and for good consideration as set forth in the conveyance, and not for the purpose of holding or enabling the bargainee to hold the goods mentioned therein, against the creditors of the assignor, and must be registered in the office of the Clerk of the Registration District in which the goods are situated, within thirty days after the sale. If not so registered, the sale is absolutely void as against the creditors of the bargainee and as against a subsequent purchaser or mortgagee in good faith of the goods. Where the affidavit is made by an agent, his authority in writing which may be either general or particular as affecting the particular sale, must be filed in the office of the said Registration Clerk.

CHATTEL MORTGAGES.—Chattel mortgages may be given to secure a debt, as security for a future advance, or to indemnify endorsers. Where the mortgage is not accompanied by immediate delivery and an actual

and continued possession by the mortgagee of the goods mortgaged, the mortgage must be in writing and must be filed with the Registration Clerk of the District in which the goods are situate within thirty days after its execution. The provisions governing bills of sale as to the necessary affidavits and filing of the authority of the agent, apply in the case of chattel mortgages. A chattel mortgage is good for two years from the date of filing thereof when it must be renewed by renewal statement of the mortgagee setting forth the payments made on the mortgage and a statement showing the amount then due, accompanied by an affidavit by himself or his agent verifying the statement and deposing that the mortgage has not been kept on foot for any fraudulent purpose. A similar renewal statement and affidavit must be filed at the expiration of each year after the first renewal.

COMMISSIONS.—May issue from the Supreme Court of Alberta in any suit pending therein, where witness is outside Alberta. Costs of commission will be allowed to successful party.

CORPORATIONS, FOREIGN.—Under the provisions of "The Foreign Companies Ordinance, 1903, and as amended Feb. 16, 1912," no foreign corporation can transact business in this Province without obtaining license under stated conditions without being subject to a penalty of \$50 for each day on which it carries on business contrary to the provisions of the act. Selling goods by travelling salesmen or by correspondence that are to be imported into the Province subsequent to such sale is not, however, doing business within the purview of the act.

EXECUTIONS.—Can issue on all judgments immediately upon judgment, unless otherwise ordered by judge, who can direct execution to be stayed. Executions bind the goods of debtor from time of delivery to sheriff and his lands from registration. Lands cannot be sold under execution against lands, until expiration of one year from time of delivery to sheriff. Executions expire at one year from date of issue, unless renewed before that time. No execution against lands will be issued unless amount of judgment debt and costs exceed \$50.

EXEMPTIONS.—The following are the exemptions from seizure under all writs of execution issued by any court in Alberta: (1) The necessary and ordinary clothing of himself and his family; (2) furniture, household furnishings, dairy utensils, swine and poultry to the extent of \$500; (3) the necessary food for the family of the execution debtor during six months, which may include grain, flour, vegetables and meat either prepared for use or on foot; (4) three oxen, horses or mules, or any three of them; six cows, six sheep, three pigs, and fifty domestic fowls besides the animals the execution debtor may have chosen to keep for food purposes, and food for same for the month of November, December, January, February, March and April, or for such of these months or portions thereof as may follow the date of seizure, provided such seizure be made between the first day of August and the thirtieth day of April next ensuing; (5) the harness necessary for three animals, one wagon or two carts, one mower or cradle and scythe, one breaking plough, one cross plough, one set harrows, one horse rake, one sewing machine, one reaper or binder, one set of sleighs and one seed drill; (6) the tools of a professional man; (7) the tools and necessary implements to the extent of \$200 used by the execution debtor in the practice of his trade or profession; (8) seed grain sufficient to seed all his land under cultivation, not exceeding 80 acres, at the rate of two bushels per acre, defendant to have choice of seed, and fourteen bushels of potatoes; (9) the homestead, provided the same be not more than 160 acres; in case it be more, the surplus may be sold subject to any lien or incumbrance thereon; (10) the house and buildings occupied by the execution debtors and also the lot or lots on which the same are situate according to the registered plan of the same to the extent of \$1,500. None of the

above articles except food, clothing and bedding of the execution debtor and his family are exempt from seizure where the subject matter of the action was the price of such articles. Where the debtor has absconded leaving no wife or family behind none of his property is exempt.

HOLIDAYS (Legal).—Holidays include Sunday, New Year's Day, Ash Wednesday, Good Friday, Easter Monday, the 24th day of May or when such day falls on Sunday, the 25th day of May, to be known as Victoria Day, Christmas Day, the birthday or day fixed by proclamation for the celebration of the birthday of the reigning sovereign, Dominion Day, Labor Day, Arbor Day, being the second Friday in May, or a day fixed in lieu thereof, and any other day appointed by general proclamation for general feasting or thanksgiving.

IMPRISONMENT FOR DEBT.—Is not allowed in Alberta, nor is there any provision for the arrest of a debtor who is about to abscond from Alberta, or to depart with intention of defrauding creditors.

INTEREST.—Interest at any rate may be agreed upon, except in the case of money lenders under whose contracts interest can only be charged up to twelve per cent. per annum on contracts under \$500. The legal rate is five per cent. Interest is payable by law on commercial paper after maturity at the legal rate. Where no interest is agreed upon or payable by implication of law the Court may in all cases where in its opinion the payment of a just debt has been improperly withheld and in which it seems fair and equitable that the party in default should make compensation by payment of interest, allow interest for such time and at such rate as it thinks fit.

JUDGMENTS.—In all cases writ of summons may be issued, returnable twenty days after service where defendant resides south of 55 parallel of north latitude, and forty days where he resides north of that parallel. If defendant does not before return day file with the clerk an appearance, and within six days thereafter file a defense, the plaintiff may sign judgment after return day. Judgments are good for ten years from date.

JURISDICTION OF COURT.—The courts having jurisdiction in civil matters are: The Supreme Court of Alberta and the District Court of the several districts. The former has jurisdiction in matters involving an amount exceeding \$400, and the latter in matters involving \$400 and under. The judicial districts of the Supreme Court of Alberta are five: Edmonton, Wetaskiwin, Calgary, Macleod and Lethbridge. The districts of the District Court are six, five corresponding with the judicial districts above enumerated with one in addition, the district of Athabasca.

LIMITATIONS.—No action can be brought to recover a merchant's account, bills, notes or in any action of debt grounded upon any lending or other contract without specialty, after the lapse of six years. No action can be brought to recover any sum of money secured by any mortgage, judgment or lien or otherwise charged on or payable out of lands and rents after the lapse of twelve years, and on other specialty debts after the lapse of twenty years.

MARRIED WOMEN.—Married women have all the rights of an unmarried woman with regard to the acquisition holding or disposition of property. She may enter into any contract and engage in business separate from her husband, and become liable for any debt. She may transfer lands direct to her husband and receive transfers of land direct from him without the interposition of a trustee.

REGISTRATION.—Instruments affecting real property have priority from the date of their registration. A lease for under three years under which the tenant is in possession does not require to be registered, and any person dealing with the land takes subject to such lease.

SALES IN BULK.—The purchaser of a stock of goods in bulk shall demand, and the vendor shall furnish, a statement verified by his statutory declaration, which shall contain the names and addresses of all creditors of the vendor, and amount of the indebtedness or liability due or to become due and payable to each creditor, and if such statement is not demanded and furnished the sale shall, in respect to any action which within 80 days is brought against the purchaser to set aside the transaction, be deemed to be fraudulent and shall be void as against the creditors of the vendor, and every disposition made of the purchase money or of a note or security given therefor by the purchaser shall be fraudulent and void as between the purchasers and creditors of the vendor, unless the whole of the proceeds of such sale or sufficient thereof to satisfy the claims of all creditors of the vendor is in fact actually applied by the vendor toward payment of all his creditors, without preference. Where goods purchased in bulk contrary to the provisions of the act are re-sold in bulk and it appears to the court that the sale and re-sale were made for the purpose of avoiding the act, the rights of creditors of the vendor shall be enforceable against the person in possession of such goods in the same way as though they were still in the hands of the original purchaser. Where the purchaser obtains such statutory declaration he shall either obtain the written waiver hereinafter described, or shall pay the whole of the purchase money or sufficient thereof to satisfy the claims of all creditors or

deliver his promissory note or other document securing the same, or part thereof, into the hands of an official assignee for distribution pro rata among the creditors of the vendor subject to any preferences provided by law or by previous contract. The fees of the official assignee shall not exceed 3 per cent. of the total proceeds of the sale which shall come to his hands and shall be paid by being deducted out of the moneys to be received by the creditors and not to be charged to the debtor. From and after the furnishing of such declaration no preference shall be obtainable by any creditor by attachment or garnishing process, or otherwise. If the purchaser, upon receiving the statement and declaration, shall fail to observe the requirements of the act without obtaining the written waiver from creditors hereinafter described, he shall be liable to the creditors of the vendor in the amount of the purchase price, or such part thereof as has not been applied toward payment of all the creditors of the vendor, pro rata, without preference. Any sale of a stock of goods out of the usual course of business, or whenever substantially the entire stock of the vendor shall be sold, or whenever an interest of the business or trade of the vendor is sold, the sale is deemed a sale in bulk, provided, however, that if the vendor produces and delivers to the vendee a written waiver of the provisions of the act from his creditors representing 50 per cent. in number and value of the claims as shown by the written statement, the provisions of the act do not apply. The act applies to traders and mer-

chants who as their ostensible occupation buy and sell goods ordinarily the subject of trade, to commission merchants, and to manufacturers, but not to sales by executors, administrators, receivers, assignees for the benefit of creditors, or sales under judicial process.

STATUTE OF FRAUDS.—No action can be brought on any contract without a memorandum in writing thereof, filed by the party to be charged where the contract is any one of the following:—1. A contract not to be performed within a year; 2 To answer for the debt, default or miscarriage of another; 3 Contract in consideration of marriage; 4 Contract by executor or administrator to answer for the debts of the deceased out of his own estate; 5 Contract for the sale of goods of the value of \$40 or upward, unless there has been a part payment of the goods or a part thereof have been delivered; 6 Agreements relating to land; 7 Agreements for the payment of commission on the sale of land.

VENDORS LIEN.—In a sale of goods the Vendor has a lien for the purchase price so long as he retains the goods sold in his possession. After he has parted with the possession of the goods, he has the right of stoppage in transit upon the insolvency of the purchaser.

VERIFICATION OF ACCOUNTS.—All accounts and claims must be proved by oral evidence (by commission if necessary), if the defendant disputes the claim. In other cases judgment is obtained by default if it can be shown by affidavit that defendant has no defence, speedy judgment can be obtained.

COLLECTION AND ASSIGNMENT LAWS, &c.

ACTIONS—May be brought by or against a firm in the firm name. The assignee of a debt or chose in action may sue in his own name. The right of action in such case (except negotiable notes) is subject to equities existing between the debtor and assignor. Actions in the Supreme Court must be commenced by writ of summons, which may be specially indorsed for money demand. The plaintiff may sign judgment eight days after service of writ, in default of appearance. In cases of writs of summons, specially indorsed for a money demand, judgment will be ordered by a judge in chambers, when appearance is filed for purposes of delay only when the plaintiff verifies his claim by affidavit, and the defendant does not satisfy the judge by affidavit that he has a defense which should be tried in the ordinary way. Actions in the County Court are commenced by a summons, which must be served eight clear days before the return day. County courts sit every month and have jurisdiction up to \$1,000 in all personal actions and on any action where debt or demand claimed consists of a balance not exceeding one thousand dollars, after an admitted set-off of any debt or demand claimed or recoverable by the defendant from the plaintiff. It has also an equitable jurisdiction up to \$2,500. Small Debts' Court has jurisdiction in matters of simple contract up to \$100.

APPEALS—May be taken to the Full Court within three months after judgment, notice of such appeal to be served within three months after judgment, and also to be served not less than fourteen clear days before the first day appointed for the sittings of the Full Court as which the appeal is, according to the terms of such notice, to be entered for hearing.

ARREST—After an action has been commenced in the Supreme or County Courts for recovery of a debt, money demand, or for damages, and where the defendant is not a person by law exempt from arrest, the defendant may be arrested after affidavit of plaintiff or some other person showing that such plaintiff has a cause of action against the defendant to the amount of \$100 and upwards, or has sustained damage to that amount, and that

there is probable cause for believing that the defendant is about to quit British Columbia. A judge of a supreme, county or small debt court may, under a judgment summons, commit the defendant in default of payment if he has transferred his property fraudulently or does not satisfactorily account for same, or in the County and Small Debts Courts, order him to pay debt by instalments, if on examination, he thinks he can do so, and commit to jail for default of payment.

ASSIGNMENTS—There are no insolvency or bankruptcy laws in force. Assignments of debts must be in writing and express notice in writing given to the debtor. Preferential assignments or cognovits, giving one creditor priority, are void as against other creditors. A debtor may make a general assignment to a trustee or trustees for the benefit of creditors, rateably and proportionately. Such deed of assignment must be registered forthwith in each of the land registry offices in the Province, but shall not take effect until recorded in the office for the district where debtor resides or has his principal place of business. Trustees shall publish notice of deed within fourteen days from execution by debtor.

ATTACHMENTS—No original attachment, except where debtor has absconded leaving property.

CHATTEL MORTGAGES—Every bill of sale (which includes chattel mortgages) or a true copy thereof, shall, within the period of five days where the goods referred to in the bill of sale are within the corporate limits of a city or town in which is situated an office of the County Court wherein such bill of sale may be registered, and in all other cases a period of twenty-one days after the making thereof next ensuing, be registered by the filing of such bill of sale or copy thereof, as the case may be, together with an affidavit by the party receiving the bill of sale or chattel mortgage that it is given bona fide to secure an indebtedness and not to protect the party giving it in the County Court Registry of such county or place within which the chattels referred to and dealt with in and by such bill of sale are situated. If not so registered it is null and void as against

creditors of mortgagor, a creditor of the maker of a bill of sale or chattel mortgage may demand a statement of the accounts as between the maker and grantee which must be furnished within 15 days of demand accompanied by an affidavit verifying it. If demand frivolous, judge may decree costs against party demanding.

(From *Fraudulent Preference Act*).—Where a party giving a bill of sale or chattel mortgage makes an assignment for the benefit of creditors within 60 days of the giving of bill of sale or chattel mortgage; or an action is brought by another creditor within 60 days of the giving of bill of sale or chattel mortgage to set the transaction aside, the bill of sale or chattel mortgage becomes void, except in the case where it is made in consideration of a bona fide payment in money or for a present actual bona fide advance of money or a present actual bona fide sale or delivery of goods or other property, or where security by way of mortgage is given to a creditor for a pre-existing debt and an advance in money made to the mortgagor in the bona fide belief that the advance will enable the debtor to continue his trade or business and pay his debts in full.

COMMERCIAL TRAVELERS' LICENSE—Commercial travelers for liquor and cigars not being residents of British Columbia must not take or solicit orders for anything to be imported into the Province to fill such orders until he takes out a license under penalty of a fine not to exceed \$100 and the license fee. License fee \$100 for each six months.

COMPANIES—REGISTRATION OF—Extra-Provincial Corporations must register license or incorporate within British Columbia before carrying on business in the Province. For doing business here without complying with above requirement, defaulting corporation becomes liable to a penalty of \$50.00 per day, and contracts entered into in the course of business so carried on are unenforceable by action in the Courts. Agents of company in course of business so carried on are liable to penalty of \$20.00 per day.

CREDITORS' RELIEF ACT (1902)—Provides, that no priority among execution creditors. Other creditors may, on taking requisite steps, share in monies realized on execution.

DAYS OF GRACE—Three days of grace on notes and bills of exchange.

EXECUTIONS—May issue immediately after judgment in the Supreme Court, or in the County Court, unless otherwise ordered. Lands could, previous to Judgment Act 1899, be sold under execution against lands: now can only be sold by order of the court.

EXEMPTIONS—Personal property of debtor to the value of \$500 is exempt from execution. No goods or personalty, however, is exempt from seizure in respect to debts contracted in regard to the identical goods. The stock-in-trade of a merchant is not exempt from seizure although under \$500, and may all be sold to satisfy a judgment. Registered homesteads are exempt from execution to the value of \$2,500.

GARNISHEE—A creditor may garnishee money owing to a debtor by a third party, both before and after judgment in the County Court, Supreme Court or Small Debts' Court.

INTEREST—Where not otherwise agreed upon, and where due by law, is five per cent. Nonusury law.

14 Canada.

JUDGMENTS—Are good for twenty years and if registered, are a lien upon all lands, and interest in lands then or thereafter owned by the defendant. Registration must be renewed every two years.

LIENS—Unless there is an agreement to the contrary, every contractor, sub-contractor and laborer has a lien for work and labor limited in amount to the sum actually owing to the person entitled to the lien. Lien expires thirty-one days after completion of work unless in meantime the lien shall be registered, and expires thirty days after registration of lien unless claimant institutes proceedings to realize lien. If lien is on mortgaged premises it is prior to mortgage, against increase of value of mortgaged premises by reason of such work or improvement, but not further, unless work is done at request of mortgagee in writing. Parties furnishing material have a lien for same, but must give notice in writing to owner of intention to claim same, not later than 10 days subsequent to delivery of specific material in respect of which lien is claimed.

LIMITATION OF ACTIONS—Six years for simple contracts, and twenty years for specialties.

MARRIED WOMEN—Have the same powers in respect to their separate property, or earnings, or rents as a *feme sole* .

PARTNERSHIP GENERAL—REGISTRATION—All general partnerships must be registered within three months next after formation of firm.

RENT—All rent is preferred claim in all cases. Wages preferred for three months in case of sale under execution or assignment for benefit of creditors.

SALE OF STOCK IN BULK—Sale of goods in bulk invalid as against creditors unless statutory declaration showing names of and amounts due creditors taken from vendor and purchase price applied first in satisfaction of same.

SALES, CONDITIONAL, OF CHATTELS—All receipt notes or hire receipts or order for chattels, when the condition of the bailment is such that the possession of chattels would pass without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money, or some stipulated part thereof, are void as against subsequent purchasers or mortgagees, unless registered in the County Court Registry, where goods are situate within twenty-one days after the bailment or delivery of the goods, or the first portion thereof, to the bailee or conditional purchaser.

MANITOBA.

NOTE—The Northwest Territories are now extinct. They have been divided into Provinces, namely, ALBERTA and SASKATCHEWAN. These will be found in their respective alphabetical order.

The FIGURE and LETTER which follow the name of each place in this Province indicate its geographical location, as shown by the corresponding figures at the sides and letters at the top and bottom of the Map.

COLLECTION AND ASSIGNMENT LAWS, &c.

AFFIDAVITS.—When made outside of the Province for use in the Province should be made before (a) a Notary Public who shall affix his seal; (b) any Judge of any court who shall affix the seal of the Court; (c) any Mayor or any other officer of a municipal corporation who shall affix the seal of the corporation.

ALIENS.—Every kind of property may be held and assigned by aliens in the same manner as by British subjects.

ARREST.—Arrest for debt has been abolished.

ASSIGNMENTS.—See Bankruptcy.

ATTACHMENTS.—A debtor is liable to have his property, real and personal (except such as is exempt from seizure and execution), attached for payment of a debt or the satisfaction of a legal cause of action as follows: Where debt or cause of action does not exceed \$500. (a) Where debtor absconds from the Province leaving personal property; (b) attempts to remove personal property out of the Province or is immediately about to make such removal; (c) keeps concealed within Manitoba to avoid service of process. Where debt or cause of action is over \$500 attachment may issue against real or personal property of the debtor not exempt from seizure. (a) Where debtor departs from Province with intent to defeat or defraud his creditors or to avoid being arrested or served with a process or keeps himself concealed within the Province with like intent; (b) in the case of non-resident debtor liable to resident creditor; (c) in the case of debtor having transferred or intending to transfer property to defraud creditors. In the above cases an order for attachment may be obtained in an action commenced in the usual manner. (See Garnishments.)

BANKRUPTCY.—There is no bankruptcy law in the Province, but a debtor may make an assignment for the benefit of his creditors and insure a rateable distribution of his assets under the control of his creditors. At the same time the debtor will still continue liable for the balance of his debts unless there is an agreement with the creditors to the contrary.

BILLS OF EXCHANGE AND PROMISSORY NOTES.—These are governed by Dominion Statutes. Bills do not bear interest (unless expressed on the face) until after maturity. After maturity the legal rate of 5 per cent. can be recovered. Promissory notes and bills of exchange do not require to be stamped and are negotiable and are subject to the right of set off between the original parties, but not in the case of a holder for value without notice, and bills must be presented for payment at maturity and notice of

dishonor given to bind endorsers, otherwise, as a general rule, they will be discharged. All bills and notes should be presented for payment. A protest is *prima facie* evidence of presentment and notice. Three days' grace is allowed on notes and bills of exchange except when payable on demand. When days of grace expire on a legal holiday the next day shall be the last day of grace.

BILLS OF SALE AND CHATTEL MORTGAGES.—Sales and mortgages of personal property not accompanied by an immediate delivery and followed by an actual continued change of possession are absolutely void as against creditors of vendor and mortgagee and subsequent purchasers or mortgagees in good faith for value without actual notice unless a bill of sale or mortgage be filed with the Clerk of the County Court in the Judicial Division where the goods and chattels are situated within twenty days of the date thereof, accompanied by an affidavit of execution and an affidavit of the vendee or mortgagee showing the good faith of the transaction; such mortgage must be renewed within thirty days preceding the expiration of two years from date of filing, by filing a statement exhibiting the interest of the mortgagee and showing the amount due and payments made and an affidavit that the mortgage is not kept on foot for any fraudulent purposes, otherwise it will cease to be valid as against creditors and other subsequent purchasers and mortgagees in good faith for valuable consideration. In respect of such sales mortgages and renewals the Bills of Sale Act must be strictly observed, otherwise there is danger of the documents not being valid.

COMMERCIAL TRAVELERS.—The municipal councils are authorized to pass by-laws controlling, regulating and licensing commercial travelers.

CORPORATIONS.—Corporations are created by act of the Provincial Legislature and by Letters Patent, under the Joint Stock Companies Act of Manitoba, and by Act of Dominion of Canada and Letters Patent of Dominion of Canada. Shareholders are generally only liable on the amount remaining unpaid on their shares. Foreign Corporations (which include Corporations incorporated by Dominion of Canada) with a few exceptions must obtain a license to carry on business in Manitoba. If such foreign corporation does business in Manitoba by resident agent without first obtaining such license such corporation cannot sue, in respect of sales made, in the Courts of the Province until licensed, and such general agent and foreign corporation are both liable to penalties.

COURTS.—Claims for debt or money demands to the amount of \$500 can be sued for in the County Court (where the court fees are small). Where the amount is over \$500 action must be brought in the King's Bench. Non-resident plaintiffs may be required to give security for costs. The usual amount in the County Court is \$25 and the usual amount in the King's Bench is \$200, but same may be increased.

EVIDENCE.—See Testimony.

EXECUTIONS.—In case of executions in the County Court against traders there is no priority (unless the amount is under \$50.00) each execution creditor shares equally. Where the debtor is a non-trader and execution is issued and realized on there is no delay about paying the moneys over to such execution creditor. An execution in the King's Bench binds all goods of the judgment debtor in the Sheriff's division from the date of being placed in the hands of the Sheriff for a period of two years, before expiration of which, same must be renewed. In case of County Court Executions same only binds goods from seizure. Lands are not bound by execution but the judgment creditor must obtain a certificate from the proper officer and register same in the Land Titles Office or Registry Office in which the lands are situated so as to bind the lands. Such registration must be renewed every two years and such judgments registered take priority against lands according to date of registration. In Manitoba this binds all lands of the debtor registered in the said Land Titles Office or Registry Office which he now has or afterwards acquires, proceedings may be taken before the Court to sell any of said lands, but in any such case the judgment debtor is entitled to his exemptions in respect of exempt lands. All moneys realized by the Sheriff or by the Bailiff against a trader where the amount is over \$50.00 are advertised in the Official Gazette and are held for three months subject to distribution at the end of such time amongst judgment creditors who have placed executions in the hands of such Bailiff or Sheriff. An execution issues in the County Court six days after judgment. In the King's Bench forthwith after judgment.

EXEMPTIONS.—The following real and personal property are exempt from seizure and sale under writs of execution or other process. 1st—Bed and bedding in the common use of the judgment debtor and his family and the household furniture not exceeding five hundred dollars in value. 2nd—Necessary and ordinary clothing of the judgment debtor and his family and necessary fuel for six months. 3rd—Twelve volumes of books, books of pro-

professional man, one axe, one saw, one gun, six traps. 4th—Necessary food for judgment debtor and his family during eleven months. 5th—Three horses, mules or oxen, six cows, ten sheep, ten pigs, fifty fowls and food for the same for eleven months (horses exempt only if used by judgment debtor to earn his living). 6th—The tools, agricultural implements and the necessities used by the judgment debtor in his trade or calling to the value of five hundred dollars. 7th—Articles and furniture necessary to the performance of religious services. 8th—Land upon which the defendant and his family actually resides or which he cultivates, wholly or in part, or which he actually uses for grazing or other purposes, provided it be not more than one hundred and sixty acres, if more the surplus may be sold. 9th—Houses, stables, barns and fences on such land. 10th—Seeds necessary for seeding eighty acres. 11th—Actual residence or home of any person other than a farmer, provided the same does not exceed in value five hundred dollars; if it exceeds such value then it can be offered for sale and sold, the fifteen hundred dollars to be paid over to the debtor and the fifteen hundred dollars being exempt from seizure under execution, garnishment, attachment for debt or any legal process. Partnership firms cannot claim exemptions for the several partners, but one only for a firm. Wages are exempt from garnishment to the extent of twenty-five dollars a month. None of these exemptions can be claimed on behalf of a debtor who is in the act of removing from the Province or about to do so, or who has absconded, taking his family with him. Agreements to waive exemptions are null and void.

FOREIGN CORPORATIONS.—Foreign corporations cannot hold lands in Manitoba unless they are licensed. See also corporations GARNISHMENT.—In both the King's Bench and County Court certain plaintiffs in actions for debt may at any stage of the action garnish all debts, obligations and liabilities due, owing and payable or accruing due. The sum of \$25.00 per month is exempt out of wages from garnishment.

INTEREST.—There are no laws against usury except in the case of banks who may not charge more than seven per cent, and also in the case of money lenders who make a practice of lending money at a higher rate than ten per cent; no such person may charge more than twelve per cent. on any sum under \$500. The legal rate is five per cent., but except as above indicated any rate may be agreed upon. Interest may be recovered on an open account from and after demand and notice that interest will be charged if the account be not paid.

JUDGMENTS.—Judgments remain in force for ten years without renewal. They are not a lien upon either personal or real estate of the debtor. Execution must issue for the purposes of binding goods and chattels and certificate of judgment must be registered for the purposes of binding lands. Execution may issue at any time within six years. A judgment is renewable by suit in the ordinary way, but no action can be brought upon a judgment recovered on a previous judgment, whether same is recovered in the Province or elsewhere.

LICENSES.—These are matters left to the jurisdiction of municipalities. Most municipalities have strict by-laws regarding transient traders.

LIEN NOTES.—Vendors by agreement may retain the right of possession and the title to goods bargained for provided the manufactured goods have the manufacturer's name or some other distinguishing mark attached and in default of payment the Vendor may summarily retake the article bargained for without legal process. This agreement must be in writing.

LIMITATIONS OF ACTIONS.—On contracts not under seal action must be brought within six years from the accruing of the cause and action on contracts under seal within ten years. Actions for the recovery of real estate within ten years. Acknowledgment of debt or part payment is sufficient to take the case out of Statute after which it begins to run anew. Foreign judgments are simple contracts when it is sought to enforce them in Manitoba.

MARRIED WOMEN.—May hold and enjoy property free from the debts and control of their husbands in as full and ample a manner as if unmarried and may contract with respect to their separate property and may also trade and

carry on business as if unmarried. A husband is liable for the debts of his wife to the amount of money which he received with her at marriage, if any.

MECHANICS' LIENS.—Every mechanic, machinist, laborer, miner or any other person doing work upon or furnishing material to be used in the construction, alteration, or repair of any building, land, wharf, pier, bulkhead, bridge, trestlework, vault, mine, well, excavation, sidewalk, paving, fountain, fish pond, drain, sewer, aqueduct, roadbed, way, or building or any of them, shall have a lien or charge for the price of such work or materials upon such building, wharf, pier, etc., and the lands occupied thereby or enjoyed therewith and limited in amount to the sum justly due to the person entitled to such lien provided that no lien shall exist for any sum under \$20.00, such lien shall attach upon the estate or interest in such lands, buildings, etc., of the owner at whose instance or request and upon whose credit or with whose privity and consent or for whose direct benefit such work will have been done or such materials, etc., placed or furnished. Provided that in case the lien is claimed by a subcontractor, the amount shall be limited to the amount payable to the contractor or subcontractor for whom the work shall have been done or materials supplied. No lien shall continue to exist unless the claim of lien in accordance with the act is filed in the Land Titles Office or Registry Office for the district in which the land affected is situated within thirty days from the completion of the work or supplying the materials, which claim must be strictly in accordance with the Mechanics and Wage Earners' Lien Act, 1898, and amendments thereto. A person filing a lien must bring action in the proper court within ninety days from the completion of the work or supplying material and register its pendency against the lands in the proper Land Titles Office or Registry Office, otherwise again the lien will cease. In case the land is encumbered by a mortgage such mortgage shall take priority only to the extent of the value of the lands before commencement of the work, etc. A lien has priority over judgments, executions, assignments, attachments or creditors' liens issued or made after such lien arises. Any number of lienholders may join in one action. In the event of sale of the lands or buildings covered by the liens under proceedings through the court the proceeds are divided pro rata. In the event of death the right of lien goes to the personal representative. The owner entering into contract for building must retain 20 per cent. of the contract price if the contract is less than \$15,000, and 15 per cent. if over \$15,000 to provide for liens. Wage earners have priority on this sum over all lien holders for thirty days wages.

MORTGAGES ON REAL ESTATE.—Must be registered, otherwise subsequent mortgage without notice may register and obtain priority.

PROOFS OF CLAIMS.—In cases where assignments have been made the assignee is entitled to particulars of claim proved by affidavit or declaration. The creditor must state whether he holds security for the claim and such security may be valued and deducted from the claim or the assignee may take an assignment thereof at an advance of 10 per cent. of its specified value.

REPLEVIN.—When any goods and chattels have been wrongfully distrained, taken or detained they can be replevined. This must be done in accordance with the King's Bench Act or the County Court Act, in accordance with whether the value of the goods is under or over \$500. The claimant must give a bond double the value of the goods.

SALES IN BULK.—The purchaser of stock of goods in bulk shall demand and the vendor shall furnish a statement showing particulars of the debts over \$50, verified by declaration, and if such statutory declaration is not demanded and furnished same shall be deemed fraudulent and shall be void as against the creditors of the vendor unless the proceeds is applied by the vendor on and towards payment of his creditors pro rata without preference. Where the purchaser obtains such statutory declaration he shall either obtain a written waiver from the creditors of the vendor or shall pay the whole of his purchase money or

deliver his promissory notes or other documents securing the same into the hands of a Trust Company or an official assignee for distribution pro rata among the creditors of the vendor. The fees of any such trust company or official assignee shall not exceed 3 per cent. of the total proceeds of such sale and shall come to its or his hands, and shall be deducted out of the moneys received and shall in no case be charged to the debtor, and no preference or priority shall be obtained by any creditor after the furnishing of such declaration by garnishing process or otherwise. If the purchaser, upon receiving statutory declaration, fails to deliver such moneys or goods into the hands of a trust company or official assignee for distribution, same shall be deemed fraudulent and shall be absolutely void as against the creditors of the vendor unless the whole proceeds of such sale are in fact actually applied by the vendor in payment of his creditors pro rata. Any sale or transfer of a stock of goods, wares and merchandise and part thereof out of the usual course of business or any interest in the business or trade of the vendor so conveyed such sale shall be deemed sale in bulk within the meaning of the Act, provided however if the vendor produces and delivers to the purchaser a written waiver from fifty per cent. of his creditors in number and value the provisions of the act shall not apply. The act applies to traders as defined thereon.

STATUTE OF FRAUDS.—The following agreements must be in writing: (1) Those not to be performed within the year; (2) Those to answer for the debt, default or miscarriage of another; (3) Agreements in consideration of marriage; (4) By executor to answer for the debts out of his own estate; (5) Contracts for the sale of goods to the value of \$50.00 and upwards unless part delivered or part payment; (6) Agreement for sale of lands (but leases for a term less than three years need not be in writing).

SERVICE OF PROCESS.—Unless the contrary is ordered in most cases this must be personal.

STOPPAGE IN TRANSITU.—This exists only so long as the goods are in the course of transit and is terminated by delivery to the consignee or by bona fide assignment of the Bill of Lading.

TAXES.—Lands may be sold for taxes when taxes are in arrears for more than a year. Redemption may be made at any time before the expiration of two years from the tax sale by applying to the Treasurer of the municipality, village or city in which the lands are situated. After two years the tax purchaser makes application to the District Registrar of the Land Titles Office where the lands are situated for title. The District Registrar requires six months notice of the application to be served either personally or substitutionally as he may order on all persons appearing to have an interest in the lands and until the notice has been served and the time given elapsed any person interested may redeem by applying to said District Registrar.

TESTIMONY.—The rules of evidence in Manitoba are those prevailing in England on the 15th day of July, 1870, to some extent modified by local enactment. Evidence used in court is oral, unless taken under commission or order of the Court. No person is disqualified as a witness by reason of interest. Husbands and wives are competent and compellable witnesses. A witness can affirm instead of taking the usual oath. In collection cases where the action is undefended no proof is necessary. Where the defendant defends to gain time and an application is made to strike out the defense an affidavit is sufficient. If the case goes to trial, the evidence must be taken personally at the trial or under commission. In forwarding claims for collection the full names must be given of persons constituting a partnership, and if the firm is incorporated same must be stated, and also it should be stated if the corporation is licensed in Manitoba. Full details of the claim should be given in all cases.

VERIFICATION OF ACCOUNTS.—Verification is of no use and accounts and claims must be proved by evidence by the plaintiff, or by admission to the defendant, or by witnesses examined in court, or under a commission under order of the Court.

NEW BRUNSWICK COLLECTION AND ASSIGNMENT LAWS, &c.

ABOLITION OF PRIORITY AMONG EXECUTION CREDITORS.—The Creditor's Relief Act of 2nd Edward the VIIth. Cap. 111, A.D. 1902, abolishes priority among execution creditors. If sheriff levies money on an execution against a debtor whose the amount endorsed to levy is upwards of \$200 or if the debtor permit such execution under which any of his goods are seized to remain unsatisfied in the sheriff's hands till within two days of the time fixed for the sale, or for twenty days after seizure, or allows execution endorsed as aforesaid against his land to remain unsatisfied for nine months; proceedings under this Act may be taken by other creditors whether their claims are overdue or not and upon duly filing certificates of their claims with the sheriff, any money which he holds or which shall afterwards be received by him upon any levy against the said debtor is distributed ratably among such creditors as have filed their certificates.

ARREST.—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretences, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property.

ASSIGNMENTS.—Until the passing of the Act N. B., 58 Vic., cap. 6, a debtor could make an assignment by deed to trustees for the benefit of his creditors giving preferences if he so desired. By this Act, which was passed on the 6th of March, 1896, and came into force at that date, no person being at the time in insolvent circumstances or unable to pay his debts in full, is allowed to give any preferences either by confession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The Act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario every full and carefully prepared synopsis of the same may be found.

ATTACHMENTS.—The property of an absconding, absent or concealed debtor upon application of a creditor for \$40, and upwards, may be attached. No other attachment laws. (See Garnishment.)

CHATTEL MORTGAGES OR BILLS OF SALE.—They require to be filed within thirty days of the date of execution, otherwise are void as against third parties, and must be renewed every twelve months by the mortgagee filing a statement showing the amount still due for principal and interest and also of all payments made on account; and in case of failure to file such statement and affidavit within the time aforesaid any creditor of the mortgagor may by a written notice served upon such mortgagee require him to file such statement and affidavit, and if same are not filed within thirty days after service of such notice then such mortgage shall cease to be valid as against any execution against the goods and chattels of the mortgagor issued at the suit of such creditor. They must be filed with the registrar of deeds for the county in which the maker resides, if resident within the Province, and if a non-resident then in the county in which the goods may be. This does not apply to bills of sale or mortgages of vessels registered under the shipping acts, nor to bills of lading, warehouse receipts and other liens created under the Dominion Bank Act.

COMMISSIONS.—Commissions to take evidence are issued from courts of record, viz:—The supreme and county courts.

CONDITIONAL SALES OF CHATTELS. By the New Brunswick Statutes 62 Victoria Cap. 11, receipt notes, hire receipts, and orders for chattels given by bailees of chattels where the condition of the bailment is such that the possession of the chattel passes without any ownership therein being acquired by the bailee until the payment of the purchase or consideration money or some stipulated part thereof

are only valid as against subsequent purchasers or mortgagees without notice in good faith for valuable consideration in the case of manufactured goods or chattels, which at the time possession is given to the bailee have the name and address of the manufacturer, bailor or vendor of the same printed thereon or attached thereto, and no such bailment shall be valid as against such subsequent purchaser or mortgagee as aforesaid unless it is evidenced in writing signed by the bailee or his agent, and a copy of such writing filed with the registrar of deeds of the county in which the bailee or conditional purchaser resided at the time of the conditional purchase writing. The registrar files such writings upon payment of ten cents for every such filing.

EXECUTIONS.—Issue immediately on signing final judgment in the supreme and county courts, and when deposited in the sheriff's office, binds the goods, chattels, lands, and premises of the debtor. A memorial of the judgment being filed in the registrar's office becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

EXEMPTIONS.—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of \$100.

GARNISHMENT.—A judgment creditor upon a judgment obtained in the supreme or county court, when the amount remaining due exceeds \$50, may obtain an attaching order, garnishing debts or sums due and owing to the judgment debtor. Wages due to the judgment debtor for his personal labor or services to the extent of \$20, exempt from garnishment.

INTEREST.—If no rate be mentioned five per cent. can be collected, although any rate agreed upon between the parties is legal. Interest cannot be charged upon an open account unless by agreement to that effect. Bills and notes carry interest after their maturity; judgments also carry interest at the rate of five per cent.

JUDGMENTS.—Judgments are obtained in county courts, if no defense, in thirty days, and in Supreme Court in sixty days. Judgments may be obtained in vacation. Judgments in county courts and superior courts only can be made liens on land. Judgments are good for twenty years. In all cases where the defendant resides within the jurisdiction of the court and the action is upon a bill of exchange, promissory note or cheque, or on a bond or contract under seal for payment of a liquidated amount of money, the plaintiff may issue a writ of summons with a special endorsement of the particulars of his claim thereon, and may sign final judgment and issue execution thereon if the defendant does not appear within twenty days after service upon him. If the defendant appears to a writ of summons so specially endorsed, the plaintiff may on an affidavit made by himself or by any other person who can swear positively to the debt or cause of action, and stating that in his belief there is no defense to the action, obtain from a judge in chambers a summons calling upon the defendant to show cause why the plaintiff should not be at liberty to sign final judgment for the amount so endorsed, together with interest, (if any) and costs. The judge may upon return of the summons, unless the defendant by affidavit or otherwise satisfies him that he has a good defense to the action on the merits, or discloses such facts as may be deemed sufficient to entitle him to defend the action, make an order empowering the plaintiff to sign judgment forthwith.

JURISDICTION OF COURTS.—Magistrate \$20, in tort \$8; parish courts \$80 in debt, \$32 in tort; county courts \$20 to \$400 in debt, \$200 in tort; supreme court \$400 and upwards.

LEGAL HOLIDAYS.—Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday (May 24), Dominion Day July (1), Christmas Day, and any day appointed

by proclamation for a public holiday or general thanksgiving. If any of these days falls on a Sunday then the next following day is held. Bills of exchange and promissory notes falling due on any of these days are legally due on the next following day, not being a holiday.

LIMITATIONS.—Notes and accounts are barred by statute in six years.

MARRIED WOMEN.—Are competent to make binding contracts on themselves or their property. By "The Married Women's Property Act" of the New Brunswick General Assembly, 1895, Chapter xxiv., which act came into force on the first day of January, A. D., 1896, a married woman is capable of acquiring, holding, and disposing by will or otherwise of any real or personal property as her separate property in the same manner as if she were a *feme sole*, without the intervention of any trustee. She is also capable of entering into and rendering herself liable in respect of and to the extent of her separate property on any contract, and of suing and being sued in all respects as if she were a *feme sole*, and her husband need not be joined with her as plaintiff or defendant or be made a party to any action or other legal proceeding brought by or taken against her; and any damages or costs recovered by her in any such action or proceeding, shall be her separate property, and any damages or costs recovered against her in any such action or proceeding, shall be payable out of her separate property and not otherwise. Every contract entered into by a married woman, otherwise than as agent, is deemed to be a contract entered into by her in respect to and to bind her separate property, whether she is or is not in fact possessor of or entitled to any separate property at the time when she enters into such contract, and such contract binds all the separate property which she may have at that time or thereafter be possessed of or entitled to. It is, however, expressly provided that nothing contained in the act shall prejudice the husband's tenancy or right to tenancy by the curtesy in any real estate of the wife.

MECHANICS' LIENS.—Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, laborer, contractor or other person doing work upon or furnishing materials to be used in the construction, alteration or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials upon the building, erection or mine and the lands occupied thereby or connected therewith. The claim of lien must be registered in the office of the registrar of deeds, and where a lien is for wages it may be registered at any time within thirty days after the last day's labor for which the wages are payable.

PARTNERSHIPS.—All persons carrying on business as general partners in the Province are required to file in the office of the registrar of deeds for the county in which the co-partnership business is carried on a certificate containing the name or firm of the co-partnership, and the names and respective places of residence of the different partners, and in case of neglect or refusal to do so may be made to forfeit or pay to the county treasurer the sum of sixty dollars, and also the further sum of ten dollars per day for each and every day a neglect or refusal after notice from any creditor or creditors of the firm.—Con. Stat. N. B., cap. 97.

Limited Partnerships.—Limited partnerships for the transaction of all business may be formed by two or more persons, consisting of one or more general partners and one or more special partners. The special partners contribute to the common stock a specific sum in actual cash payments as capital, and are liable for any debts of the partnership only to the extent of such contributions. A certificate containing the name or firm of the partnership, and the names and respective places of resi-

dence of the general and special partners, with particulars of capital contributed, etc., must be filed in the office of the registrar of deeds in the county where the partnership business is principally carried on, and publication must be made in some public newspaper, or in the *Royal Gazette*, for three months immediately following such registry. If such publication be not so made, the partnership shall be deemed general. The business of the partnership must be conducted by the general partners

under such firm name as they shall adopt, and if the name of any special partner be used as such firm name, or, part of the same, with his consent and privity and without the addition thereto of the words "special partner," he shall be deemed and treated as a general partner. In case of the insolvency or bankruptcy of the partnership no special partner is allowed to claim as a creditor until the claims of all the other creditors of the partnership have been satisfied.—Stat. N. B., 52 Vic., cap.

VERIFICATION OF ACCOUNTS.—Claims against estate of deceased person must be attested to; against insolvent estate must be verified by statutory declaration.

COLLECTION AND ASSIGNMENT LAWS, &c.

AFFIDAVITS.—In causes or matters depending in the Supreme Court affidavits may be sworn in any part of His Majesty's dominions, before any judge, court, notary public, or other person lawfully authorized to administer oaths, and in foreign parts before any British consul or vice-consul.

ARREST.—In any action where the sum of \$50 or upwards is involved, a judge may order a warrant for the arrest of the debtor, at any time after writ issued and before judgment, upon affidavit of plaintiff or his agent showing the nature of the claim and such facts as satisfy the judge that there is probable cause for believing debtor has made or is about to make some disposition of his property, or is about to quit the Colony with intent to defraud his creditors generally or plaintiff in particular, or that his absence will materially prejudice the prosecution of the action, or that he is possessed of means of payment which he withholds from his creditors. Detaining creditor must pay a certain amount per diem to sheriff for maintenance of debtor whilst under arrest.

ASSIGNMENTS.—Assignments and payments made or given by any insolvent within two months prior to his declared insolvency, and with a view to give an undue preference to any creditor, are null and void in case the person taking or recovering the same or for whose benefit the same was taken or received had notice or was aware of the insolvency. Voluntary assignments may be made for the benefit of creditors, but there is no law to compel same, the remedy being by petition in insolvency, upon which a trustee will be appointed by the court.

ATTACHMENTS.—At any time after the issue of a writ of summons a warrant of attachment of the property debts and effects of defendant may be issued by plaintiff, upon the filing of a sufficient affidavit made by plaintiff or some person on his behalf, showing defendant to be justly and truly indebted to plaintiff in a liquidated amount of \$20 or upwards in a cause of action to be therein set forth. When debt or damages are unliquidated, the court or a judge may, upon a sufficient affidavit in that behalf, stating the nature of the claim and particulars of the damage actually sustained, and showing that defendant is about to make some disposition of his property, or is about to sell or dispose of the subject matter of the action or remove same beyond the jurisdiction, order a warrant of attachment to issue.

DEEDS.—All deeds affecting lands in the Colony should be registered in the registry of deeds. Such registration is not essential to the validity of deeds, but unless so registered they are void against any subsequent purchaser or mortgagee for value, who shall first register, or against any trustee in insolvency,

or trustee for benefit of creditors, or against subsequent attachments, either on mesne or final process. For registration deeds may be proved (a) by the acknowledgment under oath of all the parties executing from whom any interest passes, (b) by the oath of a subscribing witness or witnesses that all the parties from any interest passes executed the same in his or their presence. Such acknowledgment may be taken and oath administered within the Colony by (1) The registrar of deeds, (2) A judge of the Supreme Court, (3) The Deputy Registrar or any clerk appointed under the Registration of Deeds Act, (4) A commissioner of the Supreme Court, (5) A Justice of the Peace; and without the Colony by (1) A Judge of a Court of Record, under the seal of such Court, (2) The Mayor or Chief Magistrate of any city or town under the seal of such city or town, (3) A Notary Public under his official seal, (4) Any of His Majesty's Consuls or Vice Consuls, (5) A Commissioner of the Supreme Court of Newfoundland. It is unnecessary to prove or certify the seal or signature of any of the above officials. In any case either within or without the Colony the execution of a deed by the parties thereto in the presence of any of the persons authorized to take the acknowledgment of such parties may be substituted for such acknowledgment under oath and the usual certificate should be varied accordingly.

EXECUTIONS.—Execution may be levied upon moneys, bank notes, bills of exchange, cheques, debentures, bonds and other securities for money, choses in action, equitable interests in property real or personal and all other property and effects whatsoever. Debts and goods may be garnished in the hands of third parties. Writs of execution remain in force for one year but may be renewed before expiration for another year and so on from time to time.

EXEMPTIONS.—From attachment, execution, distress for rent and from operation of insolvency laws: working tools and implements of trade, fishing skiff or punt, necessary cooking apparatus, bedding and wearing apparel of debtor and his family.

INTEREST.—Interest at the rate of 6 per cent. may be allowed by the jury on debts or sums certain due by virtue of a written instrument at a certain time, or if payable otherwise then from the time when demand of payment shall have been made in writing, so as such demand shall give notice to the debtor that interest will be claimed from the date of such demand until the time of payment.

JUDGMENT.—May be had four days after service if defendant resident in St. John's; if resident elsewhere in the Colony eight days

after service. When the defendant is absent outside the Colony, appearance must be entered within time allowed by court, failing which judgment may be entered. Execution on judgment may issue at any time within six years, after which time an order for leave is necessary. Judgment carries interest at five per cent.

JURISDICTION OF COURTS.—1. All Magistrates and two or more Justices of the Peace have jurisdiction to hear and determine in a summary way all civil actions for recovery of debt or damages to the amount of \$200, except actions for malicious prosecution and actions against Justices or public servants for acts done in discharge of their duties. An appeal lies to next sitting of the Supreme Court in cases where over \$20.00 is involved in the judgment. Magistrates or two or more Justices also have jurisdiction to any amount concerning the wages of laborers engaged in lumbering or mining, of servants in the fisheries, the supplying of bait, the hiring of boats for the fisheries and the wages or shares of seals of any person engaged in the seal fishery, but in case of damages for wrongful dismissal in connection with seal fishery jurisdiction is limited to \$40.00. 2. The Supreme Court has jurisdiction over all causes and matters to any amount. Appeal from the Supreme Court lies to the Privy Council where amount over \$2,000 are involved.

MARRIED WOMAN'S PROPERTY ACT.—Under this married women may trade on their own account without husband's consent, and are liable to the insolvency laws. They may acquire, hold and dispose of property without intervention of trustees. Generally our law, statutory and otherwise, is the same on this subject as that of England.

MECHANICS' LIENS.—Unless he signs an express agreement to the contrary every mechanic doing work or furnishing material for the construction of any building, etc., may have a lien upon the building and lands occupied therewith. In cases of leasehold the freehold may also be charged by consent of the owner thereof. The amount chargeable by sub-contractor is limited to the amount payable to the contractor or sub-contractor as the case may be. The owner may pay parties having an unpaid account or demand against the lien holder in respect of work done or materials furnished for the building, upon receiving notice within thirty days of same, and such payment is deemed a satisfaction *pro tanto* of such lien. The lien must be registered during the progress of the work, or within thirty days of completion, and proceedings to enforce it must be taken within ninety days from completion.

Commercial travelers are not required to take out any license in this Colony.

NOVA SCOTIA COLLECTION AND ASSIGNMENT LAWS, &c.

AFFIDAVITS.—For use in respective Courts when taken outside the Province may be sworn before:

(a) A Commissioner authorized by the Laws of Nova Scotia to take such affidavits; (b) A Notary Public who shall certify under his hand and official seal; (c) A Judge of any Court of Record in any colony of Great Britain or in any foreign country; (d) The Mayor or Chief Magistrate of any City or Town corporate in Great Britain or Ireland, or any colony, or any foreign country certified under the common seal of such City or Town corporate, or (e) A Consul or consular agent of his Majesty, exercising his functions in any foreign place, or any person acting as such. Similar affidavits sworn to within the Province may be sworn before the Justice entitled to preside in the respective Court, and before Commissioners of the Supreme Court, and in special cases before a Barrister or Justice of the Peace.

ARREST FOR DEBT.—Under execution on judgments was abolished by the Acts of Nova Scotia 1894, in the Supreme Court, Probate, City Civil, Stipendiary Magistrates, Justice, or Justices' Courts of the Province, but provision was thereby made for the examination of debtors against whom execution had issued, by commissioners who have power to commit a debtor to prison for a term not exceeding 12 months in case of fraudulent contraction of debt, or fraudulent disposition of property or wilful and malicious tort. Capias can issue in the first instance for the arrest of persons about to leave the jurisdiction and also in the first instance in the Supreme Court in amounts of \$30 and upwards, in the County Court in debt of \$20 to \$800 and in damages up to \$400, and in Magistrates' courts from \$4 to \$80.

ASSIGNMENTS.—Until the passing of the Act, N. S., 61 Vic., Chap. 11, R. S., 1900, Chap. 145 a debtor could make an assignment by deed to trustees for the benefit of his creditors, giving preferences if he so desired. By this Act, which came into effect July 1st, 1898, no person being at the time in insolvent circumstances, or unable to pay his debts in full, is allowed to give any preferences either by concession of judgment or otherwise, and such preferences are null and void against the creditors of the party giving the same. The act is very similar to that in force in the Province of Ontario, and in the abstract of the assignment and collection laws in force in said Province of Ontario a very full and careful synopsis of the same may be found.

ATTACHMENTS.—Attachments of property are allowable only (1) In suits against absent or absconding debtors. (2) In suits against foreign companies doing business within the Province.

BILLS OF SALE OR CHATTEL MORTGAGES.—Are governed by the provisions of Chap. 142 of the Revised Statutes 1900, and must be filed and renewal statement also filed every 8 years to make them operative against third parties, in the office of the Registrar of Deeds for the registration district in which the grantor, if a resident of Nova Scotia, resides at the time of the execution thereof, or if he is not a resident of Nova Scotia then in the Registry of Deeds for the district where the goods are deposited, and must be accompanied by an affidavit of bona fides, etc., in the statutory form. The same applies also to chattel mortgages and bills of sale to cover future acquired property.

CLAIMS AGAINST ESTATES OF DECEASED PERSONS.—Should be proved by affidavit which shall be sworn by the claimant or in his absence from the Province by his agent, before the Registrar or Probate, a Commissioner, or a Justice of the Peace. Such claims should be presented within one year from the date of the granting of letters of probate or administration, and if it is desired to prevent the operation of the Statute of Limitations, the creditor should file a copy of his claim with the Registrar of the Probate Court by which such letters of probate or administration were granted.

COMMISSIONS TO TAKE TESTIMONY.—Orders to take evidence by commission may be obtained from any of our courts, except of those of justices of the peace and stipendiary magistrates.

CONDITIONAL SALES.—Contracts for hiring, lease, bailment or bargain for the sale of personal chattels accompanied by an immediate change of delivery where the property in the personal chattels or in the case of a bargain for sale that a lien for the price or any part of it shall remain in the person letting to hire, the lessor, bailor, or bargainor until payment in full, shall be in writing showing the terms of the agreement and be signed by the person to whom such personal chattels are hired, the lessee, bailee, bargainee or his duly authorized agent and shall have printed there-in the post-office address of the person letting to hire, lessor, bailor, or bargainor, and within ten days after delivery of such chattels a true copy of such instrument in writing must be filed in the registry of deeds for the registration district in which the person to whom such personal chattels are hired, the lessee, bailee or bargainee resides at the time of the execution thereof, and shall be accompanied by an affidavit of bona fides. If a copy of said instrument is not so filed within the time mentioned, the person letting to hire, lessor, bailor or bargainor is not protected against judgment creditors, purchasers and mortgagees of the person for whom such personal chattels are hired of the lessee, of the bailee, or the bargainee. The provisions of the act extend to contracts made outside the Province of Nova Scotia.

CONTRACTS OF MARRIED WOMEN.—Married women are liable to the extent of their separate estate for all contracts. They are liable for antenuptial debts to the extent of their estate. Unless a married woman before engaging in trade files her husband's consent under the provisions of Section 18 of Chap. 113, R. S. 1900, all her property employed in such trade may be taken in execution against her husband.

DEEDS AND MORTGAGES.—When executed in the Province must be witnessed by one witness at least. Before the instrument can be recorded the witness must make oath that the grantor signed the same in his presence, or the parties executing must acknowledge under oath the execution thereof. This oath can be administered by a Justice of the peace, a notary public, the registrar of deeds for the district where the land lies, a barrister of the Supreme Court, or a judge thereof. Deeds and mortgages may be proved out of the Province, as well in foreign countries as in the British Dominions, by the oath of a subscribing witness, to be administered by commissioner appointed to take affidavits out of the Province, by a judge of any court of record, a mayor or recorder of any city, or a notary public, who shall certify to the attestation. If the proof is to be made in a foreign country, any public minister, ambassador, consul or vice-consul from the Court of Great Britain may administer such oath. To make deeds, mortgages, grants, attachments or judgments effective against lands they must be recorded in the registry of deeds for the district wherein the lands lie, or they will be void against purchasers for value and without notice who shall first record their instruments. Deeds and mortgages of married women must comply with the provisions of Chap. 113 of the Revised Statutes of Nova Scotia, 1900.

EXECUTION.—Execution upon a judgment for payment of money or costs can issue immediately after judgment, unless expressly otherwise ordered by the court or judge. Execution can only be stayed by order of the court upon grounds satisfactory to the court. Writ of execution is good in Supreme and County Courts for one year if not carried out, and it may be renewed at expiration of the year, or a new execution issued.

EXEMPTIONS.—The necessary wearing apparel, beds, bedding and bedsteads of debtor and his family, stove and pipe therefor, orane and appendages, pair andirons, set cooking utensils, pair tongs, six knives, six forks, six

plates, six saucers, one shovel, one table, six chairs, one milk jug, one tea pot, six spoons, one spinning wheel, one weaving loom, if in ordinary domestic use, ten volumes of religious books, one water bucket, axe, saw, such fishing nets as are in common use, not exceeding in value \$20, all necessary fuel, meat, fish, flour and vegetables for family use, enough for thirty days consumption and not exceeding in value \$40, cow, two sheep, and hay and food therefor for thirty days, tools and implements of or chattels ordinarily used in the debtor's occupation to the value of \$30. No real estate.

GARNISHEE.—After recovery of a judgment in the Supreme or County Court the judgment creditor may attach any debts owing or accruing from any person or persons to the judgment debtor, and service of an order of a judge on any such person or persons called the garnishee shall bind such debts in the hands of such garnishee, but no wages of any servant, laborer, or workman shall be attached unless the amount of such wages exceeds forty dollars, and such attachment shall only bind the surplus of such wages over and above the sum of forty dollars.

HOLIDAYS.—In all matters relating to bills of exchange the following are legal holidays: Sundays, New Year's Day, Good Friday, Easter Monday, Christmas Day and Labor Day; also any day appointed a public holiday by the Governor, or by a statute. When the last day of grace falls on a holiday, the next day shall be the last day of grace. The same law applies to presentation of bills of exchange and promissory notes.

INTEREST.—Interest cannot be charged on open accounts, except by a valid agreement, or an established course of dealing in which it has been paid or acknowledged by debtor.

JUDGMENTS.—Judgments may be obtained during the vacation of court when suits are undefended, as well as at other times. They can be obtained in ten days after service when the defendant resides in any part of Nova Scotia. When the defendant resides out of the Province judgment may be entered on the expiration of the time allowed defendant to appear, which is limited by the court. Judgments are good for twenty years from their date.

JURISDICTION OF COURTS.—Supreme Court has jurisdiction downwards to \$20, in all matters of contract. County Court has jurisdiction in all matters of contract and tort where the amount claimed is not less than \$20 nor more than \$800 in contracts and \$400 in tort. Justices courts have jurisdiction in all matters *ex contractu* up to \$80.

LIMITATION OF ACTIONS.—Actions for trespass in assault, battery, wounding or imprisonment, and all actions of slander or libel, must be brought within one year. Actions in trespass to lands, assumpsit, detinue, trover, replevin, debt founded on any contract, express or implied without specialty, for rent account and on the case, within six years. Actions to enforce judgments, or lien, or mortgages or otherwise chargeable on any land, or rent, or any legacy, and actions on any deed, covenant or instrument under seal or to recover land, shall be brought within 20 years. Acknowledgment in writing or part payment will extend the period of limitation.

MECHANICS' LIENS.—Mechanics unless they sign an express agreement to the contrary may have a lien for work and material furnished in the construction, alteration or repair of any building, erection, road, railway, wharf, bridge, mine, pavement or sewer upon the property with respect to which any work was done or materials furnished. If the lien is claimed by a subcontractor, the amount claimed in respect to the lien is limited to the amount payable to the contractor. In cases where the estate charged by the lien is a leasehold the fee simple may also be charged with consent of the owner of the fee simple. Unregistered liens cease after thirty days from the furnishing of the goods or labor unless proceedings are instituted to realize claim. Registered liens cease after ninety days from date of goods or

labor last furnished, unless proceedings are taken. Claims may be sued for in County Courts. Proceedings are begun by filing a statement of claim verified by affidavit in the office of prothonotary or clerk and writ of summons. In default of payment of amount sued for property may be sold. The lien holder's right of lien passes to the legal representative of the lien holder.

PARTNERSHIPS.—All persons associated in partnership for trading, manufacturing or mining purposes, or every person who is engaged in any such business and uses as his business style some name or designation other than his own name, or uses his own name with the addition of the words "and Company" or some other word or phrase indicating a plurality of members in the firm, are required to file, in the Registry of Deeds for the registration district in which the business is carried on, a declaration in writing containing the name, surname, addition and residence of each of such partners or of the persons so carrying on business under said firm name or style and the firm name or style under which the business is carried on or intended to be carried on, and such declaration is required to be filed in such registry of deeds within three months next after the formation of such partnership or the date when such firm name or style was first used.

Limited Partnerships.—Provision is also made by the laws of Nova Scotia for the

formation of limited partnerships for the transaction of business, with the exception of a banking or insurance business. Such partnerships may consist of one or more persons or general partners, who shall have the full usual responsibility of general partners and of one or more partners who shall contribute in actual cash payments a specific sum as capital, called special partners, and such special partners shall not be liable for the debts of the partnership beyond the fund so contributed by them to the capital except in certain cases specifically provided for. Persons desirous of forming such partnerships are required to make and severally sign a certificate containing particulars of the names of the firm, the nature of the business, the names of the partners, their places of residence, the amount of capital which each partner has contributed, and the period at which the partnership is to commence, and at which it will terminate. Such certificate must be proved and filed in the office of the Registrar of Deeds for the registration district where the principal place of business of the partnership is situate. The certificate must also be verified under oath, which affidavit of verification must be filed at the same time in the Registry of Deeds and publication of the terms of such partnership must be made in the *Royal Gazette* and in another newspaper published in Halifax and by hand bills posted up in the places in which the business of the partnership is carried on.

VERIFICATION OF CONTRACTS.—This is unnecessary.

WILLS.—Cannot be legally made by persons under 21 years of age. A married woman can make a will without her husband's consent. All wills must be in writing and signed by the testator, or by some one duly deputed in his presence to make the signature at the foot of will. The due execution thereof must be acknowledged in the presence of two or more witnesses, who, in the presence of testator and of each other, subscribe the instrument as witnesses. Marriage revokes a will, except when made by virtue of a power of appointment, or where it is declared in the will that same is made in contemplation of marriage, or where the husband or wife of testator elects to take under such will by instrument in writing executed and filed in Probate Court within a year after testator's death, but a change of residence does not. A will only speaks from the death of the testator. Estates are liable to succession duties to amounts fixed by statute, which are changed from time to time by the Legislature.

COMMERCIAL TRAVELERS' LICENSE LAWS.

In Halifax and several towns of the Province there is a law requiring licenses, but it is never enforced now.
